The Crucible takes place in Salem, Massachusetts in 1692. The action begins in the home of Reverend Parris, whose daughter Betty lies ill. Arthur Miller's The Crucible illustrates this concept vividly using the 1982 Salem witch trials during the Crucible people are accused of an act they did not commit and have to go against their religion and sin or face being hanged which leads to mass hysteria and paranoia even though Reverend Hale sins according to the Puritan religion. Arthur Miller's The Crucible is a fictional play based upon the witchcraft which had taken place during the Salem witch trials of 1692 in which 19 innocent men and women were killed by hanging. Symbols are used in The Crucible to bring meaning to elements of the theme and plot in a non-linguistic way. Let's look at Arthur Miller's use of symbols in this play.

Best Abigail Williams Analysis The Crucible

April 17th, 2019 - In Arthur Miller's The Crucible, Abigail Williams is the pebble that sets the avalanche of the Salem witch trials started. It is Abigail who first says Tituba has been using supernatural powers to corrupt her and Betty and it is Abigail who jumps on the metaphorical accusation train after Tituba has been coerced into confessing her involvement and naming co-conspirators.
